Call to Order

Chairman Bobby Compton, Town of Mooresville, called the meeting to order.

Invocation

Mayor Pro Tem Martha Sue Hall, City of Albemarle, asked for a moment of silence and then gave the invocation.

Amendments to the Agenda

There were no amendments to the agenda.

Mayor Pro Tem Hall made a motion to adopt the agenda as presented. The motion was seconded and carried unanimously.

Consent Agenda

- 1. FY2019-2020 Budget Amendment**
- 2. Approval of the October 9, 2019 Board of Delegates Meeting Minutes**

Vice Chairman Jay McCosh, Town of McAdenville, made a motion to approve the Consent Agenda. Mayor Pro Tem Hall seconded the motion and it carried unanimously.

3. CCOG Overview

Geraldine Gardner, Executive Director, welcomed the new CCOG Delegates and thanked returning Delegates for their service and commitment to the region. She referred the Delegates to the 2018-19 Annual Report and the Delegate Handbook. She presented an overview of the organization, including the mission and strategic priorities. She added that CCOG achieves its mission through three pillars: (1) delivering innovative services, (2) supporting local governments, and (3) creatively solving regional challenges. She introduced the directors of CCOG's departments for an overview on the organization's work related to each pillar.

Linda Miller, Aging Director, explained that Centralina Area Agency on Aging connects people to services; advocates for older adults; provides direct services through programs or funds filtered through counties to community service providers; and educates older adults, caregivers, and others about the aging process, available services, and resources.

David Hollars, Executive Director of Centralina Workforce Development Board, shared some workforce statistics, noting that last year, the department served over 22,000 individuals and 1,000 businesses. He explained that the department helps businesses and employers find the talent they need and assists career-seekers in finding their path and the training they need for work.

Michelle Nance, Planning Director, explained that her department works with communities to help them engage the public, design plans for the future, and implement those plans. She highlighted current projects in Anson County, and the Towns of Wingate, Marshville, and Dallas. She also noted that CCOG provides training for local planners.

Mike Manis, Community Economic Development Director, explained that his department assists local governments by providing code enforcement services, drug and alcohol testing, Community Development Block Grant (CDBG) administration, and downtown revitalization project support. He added that the department also helps non-entitlement communities apply for CDBG funds.

Emily Parker, Senior Planner, explained that the Government Affairs and Member Engagement (GAME) department provides technical assistance to local governments by assisting them with strategic planning facilitation. She further explained that the department offers professional development opportunities for

local government staff through CCOG U workshops and peer networking such as the Regional Managers Group.

Ms. Gardner noted that CCOG has released a call for nominations for the Region of Excellence Awards to recognize innovative practices across the region. She encouraged the Delegates to submit nominations from their communities.

Ms. Nance gave an overview of the Regional Transit Plan, explaining that it is a joint effort between CCOG and the Metropolitan Transit Commission to improve mobility across the region. She added that the plan will examine expansion opportunities for the region’s rail system and demand response services. She noted that there is a kickoff meeting on February 24th and the Board of Delegates will receive an update on the plan at its May meeting.

4. CCOG Nominating Committee Report and Election of 2020 Officers

On behalf of the Nominating Committee, Mayor Bill Feather, Town of Granite Quarry, explained that the Committee was tasked with identifying the slate of officers for 2020. He added that in addition to himself, the Committee consisted of Commissioner Gene Houpe, Iredell County, and Mayor Pro Tem Deloris Chambers, Town of Badin. He presented the following slate of officers:

Chair:	Bobby Compton, Town of Mooresville
Vice Chair:	Jay McCosh, Town of McAdenville
Secretary:	Jarvis Woodburn, Anson County
Treasurer:	William Morgan, City of Statesville

Council Member Larken Egleston, City of Charlotte, made a motion to accept the Nominating Committee report and elect the slate of candidates. Mayor Pro Tem Hall seconded the motion and it carried unanimously.

5. Installation of New CCOG Officers

Kelly Weston, Clerk to the Board, administered the oath of office to the officers.

6. Board Orientation

Ms. Gardner gave an overview of the key roles and responsibilities of a Delegate, explaining that the role includes decision-maker, advisor, connector, and champion. She also explained that the role of an Executive Board member involves being a leader, collaborator, networker, and advocate. She reviewed the 2020 Board of Delegates and Executive Board meeting schedules.

In response to a question from Council Member Egleston, Ms. Gardner explained that the Executive Board rescheduled its November meeting to Thursday, November 12th because the original date conflicts with the Veterans Day holiday. She added that the Executive Board also rescheduled its March meeting to March 18th to avoid conflicts with the National League of Cities conference.

Ms. Gardner reviewed CCOG’s core values, noting that from staff, the Board can expect transparency, communication, commitment to communities, engagement, and a strategic approach to working within the organization’s budget to achieve its mission.

Chairman Compton encouraged the Delegates to attend the CCOG meetings, noting that he would like to see a quorum at each Board of Delegates and Executive Board meeting. He reviewed the duties of the Board of Delegates and Executive Board, noting the importance of regionalism. He encouraged the Delegates’ involvement and collaboration in continuing to move the organization forward.

Mayor Pro Tem Hall encouraged Delegates to respond to staff's requests for Board action following meetings.

7. Election by County Caucuses of Municipal Executive Board Members

Delegates from Cabarrus, Mecklenburg, Stanly, and Union Counties gathered to select their municipal representatives to the Executive Board. Chairman Compton noted that the Delegates from Anson County would caucus at a later date.

At the completion of the caucuses, Chairman Compton announced the names of the Delegates appointed to the Executive Board:

Cabarrus County Municipalities: Troy Selberg, Town of Harrisburg
Mecklenburg County Municipalities: Autumn Michael, Town of Davidson
Stanly County Municipalities: Deloris Chambers, Town of Badin
Union County Municipalities: Pedro Morey, Town of Waxhaw

8. Public Hearing on Proposed CCOG Budget Ordinances for Fiscal Year 2020-2021

Chairman Compton opened the public hearing and recognized Denise Strosser, Finance Director.

Ms. Strosser presented an overview of the proposed budget, explaining that the proposal includes a membership dues rate of \$0.24 per capita, which has remained the rate for the last three years. She added that the budget is based on the budget and actuals from the current fiscal year. She explained that both the operating and pass-through budget amounts are similar to the current amounts.

Mayor Pro Tem Hall made a motion to close the public hearing. Council Member Egleston seconded the motion and it carried unanimously.

Council Member Egleston made a motion to approve the FY2020-2021 annual budget ordinances as follows: an annual operating budget ordinance in the amount of \$6,934,000; an annual pass-through budget ordinance in the amount of \$15,471.00; and set the assessment rate at \$0.24 per capita, with a minimum assessment of \$750 per member. The motion was seconded and carried unanimously.

9. 2020-24 Aging Area Plan Focus Group

Ms. Miller explained that the Area Agency on Aging is mandated by the Older Americans Act to prepare a regional area plan for 2020-24. She noted that the plan includes a regional needs assessment, demographic data, and surveys. The plan's goals include safety and protection, informing communities, and creating opportunities to improve quality of life for older adults.

Debi Lee, Assistant Director Aging Programs, led the Delegates in an interactive polling exercise.

The Delegates gathered by county to discuss challenges impacting older adults in their communities and brainstorm potential solutions.

Comments from the Board of Delegates

There were no comments from the Board.

Comments from the Chairman

Chairman Compton thanked all for attending the meeting. He encouraged the Delegates to apply for the CLT Aviation Academy that will be held in April and May 2020, noting that participants will gain behind-the-scenes access to airport operations, planning, safety and security, and the National Airspace System.

He also asked Delegates to save the date for the next Board of Delegates meeting, which will be held on May 13th. He added that during the meeting, the Board will participate in an interactive work session to help shape CCOG's FY2021 workplan. He encouraged Delegates to send an Alternate on their behalf if they are unable to attend the meeting.

Adjournment

With no further business to be discussed, Chairman Compton adjourned the meeting at 8:23 p.m.

Call to Order

Chairman Bobby Compton, Town of Mooresville, gave the invocation and called the meeting to order.

Kelly Weston, Clerk to the Board, called roll.

Amendments to the Agenda

There were no amendments to the agenda.

1. FY2021 Workplan Preview

Geraldine Gardner, Executive Director, noted that CCOG staff is in the process of preparing the organization’s workplan for FY2021 and will present the plan for the Executive Board’s approval at its June 10th meeting. She reminded the Delegates to complete the workplan survey, adding that city, town, and county managers have been asked to do the same. She thanked the communities that have responded to the survey so far, noting that the input has been helpful.

2. Region of Excellence Awards Forecast

Ms. Weston explained that the Region of Excellence Awards are CCOG’s way of celebrating the work of its member governments and partner organizations. She gave an overview of the six award categories, which include Cross-Community Collaboration, Local Government Innovation, Improving Quality of Life, Clean Cities, Aging in Action, and James D. Prosser Excellence in Government Leadership. She further noted that the application deadline is June 1st and the award recipients will be announced on August 12th. She asked the Delegates to encourage staff in their communities to submit nominations.

3. CCOG Rebranding and Website Update

Chairman Compton noted that a quorum was not present, therefore the Board would not take action on this item.

Ms. Gardner explained that improving external communications and the website were key findings from CCOG’s strategic review last year. As a result, staff has been working with Moonlight Creative to modernize and polish the organization’s look.

Emily Hickok, Marketing and Communications Manager, noted that the brand changes have not been adopted yet and the public unveiling is not until mid-August. She presented an overview of the rebranding project, noting that the current brand is over ten years old. A new brand will match the organization’s new direction and unite all CCOG sub-brands with a common structure, visuals, and voice. She further explained that to reinforce the regional mission and avoid negative association with the word “government,” staff proposes updating the organization’s name to Centralina Regional Council. She also presented the new logo, brand mark, and the tagline “Our Communities. Our Region. Our Future.” She presented an overview of the new website, which will feature a streamlined, modern look. She noted that staff is planning to combine the August Board of Delegates meeting with the Region of Excellence Awards and the brand unveiling.

Ms. Gardner noted that it was exciting to receive input from the Executive Board and staff during this process. She explained that since a quorum was not present, and because the Executive Board voted previously to proceed with the initial step of filing a Doing Business As designation, staff will proceed with a phased approach to the name change and bring the item back to the Board at its August meeting.

In response to a question from Chairman Compton, Ms. Gardner explained that because of new state regulations regarding electronic meetings, it would be best to wait and vote on the item at the next Board of Delegates meeting.

In response to questions from Council Members David Scholl, Town of Stallings, and Amelia Stinson-Wesley, Town of Pineville, Ms. Gardner noted that the Executive Board expressed support for the new name and the intent to emphasize the regional nature of the organization’s work and its role as a council or group of governments that comes together to make decisions about the region’s future.

In response to a question from Council Member Troy Selberg, Ms. Weston confirmed that the Board was five Delegates short of having a quorum.

4. Regional Update on COVID-19

Ms. Gardner presented an overview of CCOG’s response to COVID-19, noting that the organization has focused on serving vulnerable populations, supporting local governments, and coordinating regional engagement and advocacy. She also noted that the Ombudsman program is seeing an increase in cases in long-term care facilities. She explained that support for local governments has included member outreach to managers and Delegates, summarizing federal and state legislation, providing virtual meeting and reopening guides, and enhanced grants outreach. She further noted that CCOG is working on economic development recovery support and working to reopen the NCWorks Career Centers.

In response to a question from Mayor Pro Tem Martha Sue Hall, City of Albemarle, Leslie Mazingo, Strategics Consulting, explained that the NC General Assembly chose to distribute CARES Act funding to the counties, which will then decide how those funds are distributed to municipalities.

5. COVID-19 Good News

Ms. Weston shared positive stories and examples of resilience in local communities during COVID-19. She noted that several organizations have been helping to meet the rising demand for meals by distributing food to seniors and children. She also noted that local companies have been providing hand sanitizer and manufacturing personal protective equipment for organizations in need. Other examples included Lincoln County Public Library providing virtual enrichment programs for children and South Piedmont Community College offering access to public Wi-Fi.

Comments from the Board of Delegates

Mayor Pro Tem Hall thanked staff for keeping the organization running while working from home. She thanked David Hollars, Executive Director of Centralina Workforce Development Board, for his assistance in troubleshooting an issue.

Secretary Jarvis Woodburn, Anson County, noted that Hornwood, Inc., a local textile manufacturer in Lilesville, has started producing fabric for N95 masks.

Council Member George Harris, Town of Troutman, thanked Ms. Gardner and staff for their assistance in recruiting a new town manager.

Comments from the Chairman

Chairman Compton noted that the next Board of Delegates meeting will be held on Wednesday, August 12th. CCOG staff will reach out to Delegates to gauge their interest in holding this meeting either virtually or in person. He further noted that plans for the meeting will also depend on state and local guidelines for gatherings.

He reminded the Delegates to complete the FY2021 workplan survey.

Chairman Compton noted that CCOG will hold a virtual grant writing workshop on Thursday, June 4th.

Comments from the Executive Director

Ms. Gardner thanked the Delegates for participating in the virtual meeting and for their work in their communities. She also thanked CCOG staff for their work. She thanked Chairman Compton for traveling to attend the meeting in person.

Adjournment

With no further business to be discussed, Chairman Compton adjourned the meeting at 6:00 p.m.

INTRODUCTION

Centralina Council of Governments leads regional collaboration and sparks local action to expand opportunity and improve quality of life. We do this through creative problem solving, innovative service delivery and support to our local governments. Centralina's six departments and associated boards are dedicated to this mission of public service with a regional spirit.

Each community in the nine-county Centralina region is unique, but we share a common set of challenges. We believe that our region thrives when we work together, unified by a common mission for expanding opportunity and improving quality of life. The strong fabric of cooperation, woven by over 50 years of regionalism, must be sustained through robust implementation of localized solutions.

Our Regional Goals

As one of the fastest-growing metro areas in the country, Centralina has a diverse set of guiding plans¹ for the region; with limited resources and capacity, it is critical to prioritize within the ongoing implementation of these plans. We must also respond to the evolving needs of the region, local communities and the individuals that we serve. Last year we worked with the Board of Delegates, Regional Managers and partners across the region to set seven cross-cutting goals to guide our work over three years (2019-2022):

1. **Growth:** Manage cross-jurisdictional collaboration for coordinated regional growth
2. **Mobility:** Expand regional mobility choices and connections
3. **Health:** Improve the health and resilience of individuals, communities and our region
4. **Economic development:** Facilitate business and infrastructure investments in our local communities and regional economy
5. **Talent:** Provide talent tactics and solutions for a qualified and competitive workforce
6. **Innovation:** Support and champion our local governments
7. **Operations:** Enhance Centralina operations, infrastructure and partnerships

Centralina departments have designed workplans for FY21 that advance these goals through specific strategies and implementation tactics. Funding to support our work comes from federal, state and local sources; the Centralina Executive Board will review and approve FY21 workplan in June 2020 and corresponding budget amendments throughout the fiscal year.

¹ CONNECT our Future Regional Growth Strategy (2015); Prosperity for Greater Charlotte Comprehensive Economic Development Strategy (2017-2022); Centralina Area Agency on Aging Area Plan (2020-2024); and the Centralina Workforce Development Board Annual Plan

GOAL 1: Manage cross-jurisdictional collaboration for coordinated regional growth

Description of Agenda Item:						
<p>The Board of Delegates is asked to vote to change the organization’s name to “Centralina Regional Council” and amend the organization’s charter and bylaws with the new name.</p>						
Background & Basis of Recommendations:						
<p>The Board of Delegates has received information and participated in key decisions of the rebranding process since October of 2019. The ten-month process concludes on August 12th with the release of the new website, logos, and tag line. A critical aspect of the rebranding process is the name change to Centralina Regional Council. The name change strongly emphasizes the regional focus of the organization’s mission and better reflects our values of innovation, collaboration, connection, and service. Other COGs around the country, including one in North Carolina, have recently changed their names to Regional Councils. The Board of Delegates was notified of the proposed name change during rebrand project briefings at the Board’s February and May meetings.</p> <p>At the March Executive Board meeting, the Executive Director presented three options for pursuing the name change based on advice from legal counsel. After a discussion, the Executive Board approved filing for an Assumed Business Name certificate to enable the name change to proceed and authorize Centralina Regional Council to be used in the rebranding process. The second step in the renaming process was for the Board of Delegates to vote on the name change to amend the organization’s bylaws and charter. This item was scheduled for the May Board of Delegates meeting, however, since quorum was not established at that meeting, the item was moved to the August meeting agenda. If the Board of Delegates does not approve the full name change, then the organization will continue to use Centralina Regional Council for external purposes only and retain Centralina Council of Governments on legal documents (i.e. charter and bylaws) and accounts. For consistency and clarity, legal counsel advises utilizing one name.</p>						
Requested Action / Recommendation:						
<p>Motion to officially change the organization’s name to the Centralina Regional Council and update the Council’s charter, bylaws, and other official documents accordingly.</p>						
Time Sensitivity: <i>(none or explain)</i>	None.					
Budget Impact: <i>(none or explain)</i>	Legal costs associated with the name change are included in FY21 budget.
